1. In a recent interrogation of KALTENBERG, the following paragraph was included:

"KAMM was personally in touch with the Iron Guard through the liaison officer of the Iron Guard, a man named AUNEK. (KALTINGBURNER mentioned that AUNEK had once been in Austrian territory and also a prisoner in the Reich after the Iron Guard Putsch.)"

2. The ES-Leaders have asked us to inquire further into this subject, particularly the allegation that there had been a prisoner in the Reich after the Iron Guard was overthrown.

5. We should also be interested in details of [redacted]'s activities as liaison officer with the Iran Guard.

4. It is not known here exactly where there is a graveyard, but perhaps you can pass this inquiry to the proper authorities.
